

# Estimating regional methane emission from paddy fields using a process-based biogeochemistry model

M.Havano, T.Fumoto, K.Yagi

# Estimated Results: Methane emission from paddy fields

GgCH<sub>4</sub>

**Paper Reference: PO4g**

**Presentation Type: Poster**

**Presentation Time: 1545 to 1645**

**Session Details: Session4 19/11/09 1545-1645**
